

May Days Season Kickoff May 20-21

The Busted Prop
948 East Main Street
Ottawa, IL 61350

- ◆ Team Competition
- ◆ New Boats and Gear
- ◆ Raffles
- ◆ Season Kickoff Party

Get your crew together and come on out and participate in our first Annual team competition and check out some new boats and gear for 2006, then kickoff the season with a "Militia Style" party! This laid back event is designed to just get you out on the water before the Memorial Day "wally" rush and just hang out with everyone and get ready for the 2006 Midwest season.

Tentative Schedule:

Friday - Some people like to arrive early! Feel free to show up anytime Friday, set up camp, bring your boat or try to find a pull and free-ride all day long.

Saturday - Team Competition, 4 riders (1 beginner, 1 intermediate, and 2 wild cards) and don't forget someone to film. Get creative, go out and ride and make your team's video to be judged Saturday night at the bar. Competition will be \$40.00 per team to compete; top 3 will be awarded cash and or prizes. Look for raffles and the Midwest Militia Season Kickoff party to follow.

Sunday - Free for all, some people will be packing up early and hitting the road and the diehards will stick around and ride all day, so whatever you decide you will never go home from a Midwest Militia event without some great memories.

The Busted Prop fees, rules, and regulations:

- Camping will be **\$25.00 per Campsite** for the whole weekend, includes boat launch. Wristbands will be given out and required to be on premises
- A day pass will be **\$5.00** for non campers
- There will be a **\$25.00** cooler charge to bring your own alcohol on premises. Once paid you will receive a sticker which is required to have a cooler on the grounds.
